## **The Fourth Christmas Tree Festival at St Wulfram's!**

**Thursday 25<sup>th</sup> – Sunday 28<sup>th</sup> November 2021**

September 2021

Dear Friends,

I know it's ridiculous to start thinking about Christmas in early September, but we wanted to give you a 'heads up' about the return of our hugely successful Christmas Tree Festival this year.

In 2015, 2017, and 2019 there were well over 120 trees and there is always room for more.

We were overjoyed by the vast numbers of people who came to the festivals. The last festival was over four days and we welcomed thousands of visitors. The event was covered by the media, locally, nationally and internationally, and truly put St Wulfram's and Grantham on the map. We'd like to invite you to take part in this year's festival.

What do you need to know?

Firstly, there is no charge to take part (although a donation of £5-10 per tree from local businesses would be welcomed to offset costs): each local group, local business, school or individual simply register their interest to put a tree in the festival. Enclosed with this letter is a booking form that needs to be returned by Friday 19<sup>th</sup> November.

We are delighted to announce that the Skating Rink is coming back and will be fantastic fun!

We are determined to continue to make St Wulfram's an important part of our town. We want to give the opportunity for people to engage with each other in this significant building in Grantham and celebrate all that is good, enabling us to come together as a community after such an horrendous 18 months.

Yours

Fr Stuart

PS. If you or your business / organisation would consider helping **sponsor** this event I would be hugely grateful. The costs of putting on a festival of this size and complexity are significant!
